

Kingston Underwater A Celebration of Marine Exploration

August 8, 9 and 10, 2008
at
Kingston City Hall and the
Marine Museum of the Great Lakes

This event will include:

A Diving Expo in Memorial Hall,
Kingston City Hall, 216 Ontario Street
1:00 pm – 4:00 pm,
Saturday and Sunday

This location will host displays by groups and organizations concerned with diving and underwater exploration, marine archaeology, underwater documentary film production, and environmental and water conservancy programs offered by governmental and non-governmental agencies.

*Special exhibit of early days of diving, guided tours, scuba diving and
ROV (remotely operated underwater vehicle) demonstrations at the*
Marine Museum 55 Ontario Street
10:00 am - 4:00 pm,
Saturday and Sunday

Diving pioneers will provide guided tours of the Museum's permanent exhibit on shipwrecks and underwater exploration. Outdoor exhibitors, including scuba diving demonstrations, a demonstration of an ROV (remotely operated underwater vehicle) and high definition underwater photography and film equipment will take place in the dry-dock adjacent to the Marine Museum.

Free horse drawn wagon rides, sponsored by the Downtown Kingston! BIA, will be available from the Museum to Memorial Hall and return.

and

A spectacular underwater multimedia film presentation premiering "Rhapsody in Blue" showcasing the work of Deep/Quest 2 Expeditions August 8 and 9, Friday and Saturday evening, 7:30 pm

Doors open at 7:00 pm, seating limited

This special event has been organized to raise awareness of:

- ≈ the significance of Kingston as one of the premiere diving sites in North America
- ≈ the wealth and fragility of Kingston's marine resources
- ≈ and the need for preservation and conservation of the underwater environment.

We hope you will join us for this unique celebration and support this event that focuses on underwater history, preservation, conservation and sport tourism.
